Dear Ms Scott

Re: Exhibition of modification Request for Glenn Innes Wind Farm (07_0036)

I refer to the correspondence from the Department of Planning and Infrastructure (DP&I) to the Office of Environment and Heritage (OEH) dated 29 July 2013, regarding the above proposed project approval.

OEH, formerly the Department of Environment, Climate Change and Water, previously provided a submission to DP&I on the Glenn Innes wind farm proposal in 2009. OEH understands from recent discussions with DP&I that the modification sought only relates to the extension of time to the expiry date of the approval. As such OEH has no further comments in relation to this matter.

If you require further information or clarification please contact Krister Waern on (02) 6640 2503.

Yours sincerely
