Dear Ms Sarkies

Re: Exhibition of Modification Request for Glen Innes Wind Farm (MP07_0036 MOD 2)

Thank you for your letter dated 17 March 2014 providing the Office of Environment and Heritage (OEH) with a copy of the above modification request. I appreciate the opportunity to provide comments.

OEH, formerly the Department of Environment, Climate Change and Water, previously provided a submission to DP&I on the Glenn Innes wind farm proposal in 2009. OEH has reviewed the modification request, including the environmental assessment prepared by Aurecon dated 12 March 2014 and has no further comments in relation to the proposed modification.

If you require further information or clarification please contact Mr Krister Waern, Senior Operations Officer, on telephone (02) 6640 2503.

Yours sincerely
