Dear Mr Philp

Re: Exhibition of Modification Request for Glen Innes Wind Farm (MP07_0036 MOD 3)

Thank you for your letter of 5 July 2014 seeking comments from the Office of Environment and Heritage (OEH) on the abovementioned proposed modification of this development consent. I appreciate the opportunity to provide input.

OEH has reviewed the modification request which seeks to extend the time required to satisfy the conditions of the current development consent by a further 12 months. On the basis of this review, OEH is able to support the modification request.

If you require further information or clarification please contact me on telephone (02) 6659 8272.

Yours sincerely

Dimitri Young 23 July 2014
