Dear Mr Scott

Thank you for your email dated 26 August 2015 to the Office of Environment and Heritage (OEH) regarding an amended State Significant Development Application for Building R1 at Barangaroo in the City of Sydney Local Government Area.

After reviewing the relevant documents, OEH's Greater Sydney Planning Team has concluded that the matter does not contain biodiversity, natural hazards and Aboriginal Cultural Heritage issues that require a formal OEH response. We have no need to be further involved in the assessment of the project.

Regards
