RE: MP 08-154 Minor Pipeline Corridor Realignments – Modification to the Gloucester Gas Project

Reference is made to the abovementioned modification submitted under Section 75W of the *Environmental Planning & Assessment Act 1979* (NSW).

Council has reviewed the proposed modification and advise that the modification labelled 'Tomago Section' traverses land mapped as containing Swamp Oak Alluvial Forrest. It is requested that consideration be given to the potential impact of the proposal on this vegetation as part of the Department's assessment process.

No additional comments are provided. Council's previous comments relating to maintenance of Council owned assets and infrastructure, including any road crossings, remain applicable to the proposal.

Should you have any questions, please do not hesitate to contact myself.

Yours faithfully,
