COMMENTS:

To Whom It May Concern,

We live directly opposite the current school driveway/car park and gates of the Shore School. So we will be majorly impacted if the current submission is allowed to proceed. Currently traffic in our street during the school morning drop off and afternoon pickup is heavy. We can wait up to 5 minutes currently just to be able to exit our driveway. There is often a long line of cars leading to the traffic lights corner Union Street and Blues Point Road.

We often have cars parked across our driveway or in the “No Parking” outside of our house. We experience a lot of difficulty as well during the Saturday morning sport. The amount of traffic, cars illegally parking is dangerous. We currently only barely survive having the school across from us, and they are not a good neighbour in my humble opinion.

I sincerely hope that the current submission is not allowed to proceed as it will make living where we do unbearable and unliveable.

Thank you,
