Re: MP 10_0150 & MP 10_0149 - Graythwaite Concept Plan

With the acquisition of the Graythwaite site Shore School has the rare opportunity and the public responsibility to resolve their existing problems and *accommodate its own traffic and parking impacts on its own land.*

These impacts have not been assessed or analysed and no workable solutions have been presented.

The Proponent cannot simply leave the analysis of traffic impacts to some future time.

I OBJECT TO THIS APPLICATION.

I DO NOT give permission for my name or address to be made available to the proponent, other interested public authorities, nor for it to appear on the Department's website.

I have made NO political donations in the last 2 years.
