RE: NIGHT RACING AT ROYAL RANDWICK
(SSD-8706)

Dear Sir / MADAM.

I OBJECT TO THE PROPOSAL.

1. On race days all the noise from the races can be heard in our area, whilst we accept that, it would be quite invasive to be home relaxing in the evening.
2. On race days many race goers park in our area. Again, coming home from work or a day out and not be able to find a parking spot anywhere near home is unacceptable, particularly for those with children, shopping etc.

I have no political donations to declare.
