

PCU52824

23/4/14

Dear Sir / Madam

Re Port 3A Invisible Mine Ext. (07-0127)
Mod 4
and Cullen Valley Ext (DA 200-5-2003)
Mod 2

I oppose these developments
on the grounds that they will
adversely affect pagoda formations
and poorly preserved vegetation
types. The coal extracted
and the profits engendered
are less than the destruction
involved.

Dr J Winter
