DEAR SIR - MINDART,

I RAY BLACKLEY HAVE LIVED IN CULLEN BULLEN
ALL MY LIFE NOW RETIRED IN MY SENIOR YEARS AND
WORKED IN COAL INDUSTRY ALMOST FORTY YEARS AT
WALKERHANG COLLIERY AND BAAK BONE COLLIERY.

IT IS MOST IMPORTANT THAT INVINCIBLE AND
CULLEN VALLEY MINE GET THE GREEN LIGHT TO START
PRODUCTION, NOT ONLY DO WE NEED THE COAL BUT
IT IS MOST IMPORTANT THAT WE GET EMPLOYMENT
GOING AGAIN IN OUR DISTRICT AS MANY BUSINESS
COMPANYS AND INDIVIDUALS ARE STARTING TO DO IT TOUGH.

WITH OUR SMALL COMMUNITY I CANNOT BELIEVE
THAT SO MANY PEOPLE ARE AGAINST THIS PROJECT.

MANY OF PEOPLE AGAINST THE MINES DO NOT
LIVE IN OUR SMALL VILLAGE.

REGARDS

Ray Blackley
