Cullen Bullen 2790
27th April 2014

I request that my personal details be kept private

To
Department of Planning & Infrastructure.

I am writing to say I support the new
Invincible Colliery 07-0127 MOD4 and Cullen Valley
Mine D.A 200-5-2003 MOD4 project.

My reason for supporting the new project
is because jobs are really needed in our area.
Also without the opencuts the township of
Cullen Bullen will die.

Yours Sincerely

I request that my personal details be kept
private.
