Ms Karen Harragon
Director, Social and Other Infrastructure Developments
Department of Planning and Environment
GPO Box 39
Sydney NSW 2001

Dear Ms Harragon

**Koondrook-Perricoota Forest Flood Enhancement Project
MP 09-0098 MOD 1**

Thankyou for drawing the proposed modification to the Koondrook-Perricoota Forest Flood Enhancement Project to my attention. The Murray-Darling Basin Authority has been closely involved in the development of this proposal and is fully supportive of the amendment as described in project documentation on the Department of Planning and Environment website.

I note that your letter refers to increasing releases to Barber's Creek from 1000ML/d. it is understood that the current consent permits releases to a maximum of 250ML/d and that it is this lower discharge rate that this proposal seeks to vary.

Should you require any further information then please contact Mr Andrew Reynolds, General Manager Assets on 02 6279 0436 or at andrew.reynolds@mdba.gov.au.

Yours sincerely

Phillip Glyde
