This is a submission objecting to the proposed Port waratah coal services Terminal 4 development in Newcastle (10_0215). **The T4 proposal must not be approved** due to the significant and unacceptable impacts as detailed below.

The suburb already bears an
unacceptably high burden re: all
such dust issues and problems
left over from previous industry.

As submission makers are required to disclose political donations totalling \$1000 or more in the past 2 years, I can state that **I have not made a disclosable donation.**

Your Sincerely, C. Hugh Eldridge - Flat #1 65 Alexander St
Hamilton 2303
