This is a submission objecting to the proposed Port waratah coal services Terminal 4 development in Newcastle (10_0215). **The T4 proposal must not be approved** due to the significant and unacceptable impacts as detailed below.

Impacts on habitat, endangered and threatened species, and migratory birds

Proximity to RAMSAR sites in the
Hunter Estuary area

Impacts on air quality

Increase dust which affect people
with allergies

Water pollution and dredging impacts

from the dust

Social and economic impacts in Newcastle and Lower Hunter

Stress due to noise and keeping
places clean from coal dust

Impacts due to increased coal mining in NSW

Loss of places to grow our own food.

As submission makers are required to disclose political donations totalling \$1000 or more in the past 2 years, I can state that **I have not made a disclosable donation.**

Your Sincerely,

Margaret Williams
