a new Coal Loader known as T4 on Kooragang Island and Mayfield North**

Dear Ms Newman,

I object to the PWCS T4 Coal Loader proposal for the reasons that are well set out in articles from

Front page Seeking Refuge quoting Ann Lindsay from the Hunter Bird Observers Club - -
continued on Pp 4 & 5 "**WETLANDS IN PERIL FROM LOADER
PLAN**

UNLOAD ON \$5bn COAL PROPOSAL** - continued on Pp 4 & 5

P10 - Editorial **HEALTH & GROWTH**

P 10 Carton **COAL INDUSTRY T4**

The articles are attached.

I am disabled, and was not able to get to the Hunter office of Planning by yesterday - so please
accept this Lodgement on the 8th May

Please acknowledge receipt, and confirm you will take my submission into account.

I have made no political donations.

Cheers from Newcastle
