Dear Ms Mitchell,

Thank you for your letters of 9 September 2013 and 8 October 2013 regarding the Preferred Project Report for Port Waratah Coal Services Terminal 4 (reference: 10\_0215).

Whilst the proposal will result in some restrictions to recreational boating during the dredging and construction phase of the development, NSW Roads and Maritime Services (RMS) is satisfied that the proposal will not result in any significant long term navigational impacts.

RMS requests that land owners consent be sought by the applicant prior to the determination of the application.

For more information please contact Kate Mirow, Planner at RMS on (02) 9563 8582.

Yours sincerely,

Dennis Buttigieg
