Dear Ms Donnelley

Comment on the Environmental Assessment (EA)**

I refer to your email of 13 April 2017 to the Department of Primary Industries (DPI) in respect to the above matter. Comment has been sought from relevant divisions of DPI. Views were also sought from NSW Department of Industry - Lands that are now a division of the broader Department and no longer within NSW DPI. Any further referrals to DPI can be sent by email to landuse.enquiries@dpi.nsw.gov.au.

DPI has reviewed the EA and advises that impacts and matters of regulatory interest to the department have been adequately addressed. In the event of approval being granted for the project, the proponent should be required to update the Site Water Management Plan in consultation with DPI Water (water.referrals.dpi.nsw.gov.au) prior to commencement of activities.

Yours sincerely
