ATTENTION: MANAGER INDUSTRY ASSESSMENTS,
APPLICATION No. MPO9 0028 MOD 3.
LOCATION: SWEED VALLEY Way & JONES RD, YELGUN,
PROPOSER: BILL AND GEL PROPERTY PTY LTD.

SUBMISSION OBJECTING TO MODIFICATION
REQUEST.

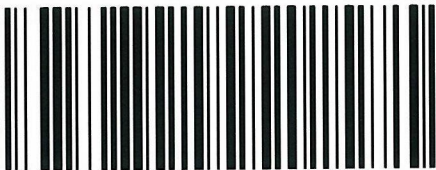

MINISTER,

I OBJECT TO THIS MODIFICATION OF ORIGINAL
APPROVAL FOR 3 EVENTS FOR 5 YEARS TRIAL
@ YELGUN.

SPLENDOUR IN THE GRASS CONSORTIUM STILL
HAVE N'T MET THEIR APPROVAL REQUIREMENTS
UP TO THIS DATE & WHEN WILL THAT BE? TO
APPLY FOR MORE EVENTS IS STRETCHING THE
LIMITS OF ENDURANCE OF RESIDENTS CLOSE
BY & WHATEVER WILDLIFE & FLORA HAS SURVIVED
THE LAST 2 YEARS OF ACTIVITY ON THIS SITE
@ YELGUN!

TO APPROVE MORE @ THIS SITE WOULD BE
TOTALLY IRRESPONSIBLE UNTIL SPLENDOUR
CONSORTIUM MEET THEIR CONSENT CONDITIONS
FROM ORIGINAL APPROVAL FOR TRIAL?

I

PCU060094

Department of Planning
Received
16 JUN 2015
Scanning Room

2.

THE RESIDENTS, FLORA & FAUNA & SURROUNDS
HAVE BEEN IMPACTED UPON OVER THE LAST
2 YEARS BY SPLENDOR IN THE GRASS
FESTIVAL & FALLS FESTIVAL, WHICH HAS
DEVASTATED THE SITE & HAS TURNED THE
AREA THATS BEEN IMPACTED THE MOST INTO
A BARREN WASTE LAND, MY OPINION WAS
WHAT THE PROPONENTS WANTED IN THE FIRST
PHASE?

THE APPLICATION TO MODIFY IS JUST ANOTHER
WAY TO GET AROUND THE ORIGINAL CONSENT
CONDITIONS & UNTIL THE PROPONENT DOES
THIS / REQUEST THAT THE DEPARTMENT
NOT APPROVE THEIR REQUEST, IF APPROVED
THERE WILL BE NO STOP TO THEIR REQUESTS
IN THE FUTURE? UNTIL THE WHOLE COO HATS
@ THIS SITE HAS BEEN DEVASTATED OF
FLORA & FAUNA & RESIDENTS HAVE BEEN
DRIVEN CRAZY FROM LACK OF SHEEP WHILE
THESE EVENTS TAKE PLACE.

/ ASSUME THE MINISTER WOULDN'T LIKE TO
LIVE NEXT DOOR TO THE FESTIVAL SITE,
IMAGINE THE PEOPLE WHO DON'T HAVE CHOICE?
/ LOOK FORWARD TO YOUR REPLY ON THIS
MATTER AS AP.

YOURS. PAUL BRECHT
