ATTENTION BELINDA SCOTT,

RE OUR PHONE CALL OF THE
15-10-12. I WOULD LIKE TO SAY
I DO NOT SUPPORT THE MACQUARIE
RIVER PIPELINE. THE PIPELINE
IS TOO EXPENSIVE, TOO FAR AWAY
FROM ORANGE AND WILL COST
A FORTUNE TO PUMP THE WATER
TO SUMA PARK. (ELECTRICITY ETC)
IF WE ARE IN DROUGHT WE COULD
NOT PUMP WATER FROM THE RIVER.
WHY CAN'T A SOLUTION BE FOUND
CLOSER TO ORANGE SUCH AS
MORE TANKS AND MORE USE
OF THE STORMWATER DAM.
PEOPLE HAVE PUT IN TANKS AND
ARE MUCH MORE CAREFUL WITH
THEIR WATER CONSUMPTION.

HAVE MADE NO
POLITICAL DONATIONS

Thank you
Regards
