Dear Ms Warton

Re: Significant Development Applications for the Sydney International Convention,  
Exhibition and Entertainment Precinct (SICEEP) –  
'International Convention Centre Hotel' (ICC Hotel)

I refer to the invitation for Sydney Harbour Foreshore Authority to comment on the above mentioned application.

The Authority supports the application for demolition works and the construction of a building for hotel use and associated restaurant, ballroom, guest and visitor facilities, and public domain works.

The Authority has met with Darling Harbour Live and Infrastructure NSW regarding the applications and will continue to have ongoing dialogue in relation to this important project.

Yours sincerely
