Hi,

I support the M2 Motorway Lane Cove Road Eastbound On-Ramp.

This ramp should have been installed many years ago, it will make a major improvement to traffic for the local people.

The land required for the ramp is full of weeds and grass, this new ramp will clean this area up, so should have a positive impact.

Most local people I have spoken with are very excited about this on-ramp being installed on the M2 for city trips from Lane Cove Road.

Start work ASAP.

Thanks

John
