**Subject:** Proposed M2 South Bound entry

---

This is a terrific idea but does not go far enough.

It doesnt allow access onto the M2 southbound from traffic running north on Lane Cove Road from where there are huge quantities of traffic exiting from Macquarie Park business offices.

Also, it doesnt allow access onto Lane Cove road from the M2 from the east for northbound traffic.

Of course, providing these entrances and exits would mean more traffic lights and more snarls, so the real answer is fly-overs (I wish).
