The contact form submission details are below:

Name: Judith Campbell

Email address: [REDACTED]

Phone number: [REDACTED]

Post code: 2047

Your enquiry is about: Public consultations exhibitions

Enquiry details:

i have been frustrated by your most unfriendly website for submissions about the proposed overpass at the Rozelle Interchange, it is obviously designed to deter communication. Why is the link not being placed underground? The visual impact of the proposed overpass will be ugly and most unwelcome in the neighbourhood. We need to preserve open space near the foreshore as far as possible, not clutter up airspace which is becoming such a rare commodity in this over-developed city
