Attention - Director Transport Assessments Planning Services . 18th September 2019.
Department of Planning Industry and Environment .
GPO Box 39 .
Sydney NSW 2001

To The Director .

Re --Submission -- Application number SS1 7485 -- M4-M5 -
Modification 2 The Crescent overpass .

Regarding this overpass at North Annandale . A tunnel is your best option . I have spoken to many people on this matter and a tunnel is more suitable for the area . Your modification would spoil the environment . We need to maintain the area as a tree lined suburb . The park next to the Tram Station at Rozelle Bay provides a tranquil setting .
In addition when are we going to acquire a ferry service to Rozelle Bay .

Yours Faithfully
