Submission for
Crescent Overpass
Annandale.

This overpass is grossly oversized for this area. The highly touted "green"(!) walkway now runs beside a raised overpass, visually and by distance cutting off both the parkland of Rozelle and Annandale. to the water.

This overpass is ill thought out and a quick money saving idea at the cost of losing so much. The community of Annandale are grateful for the natural beauty of this area, and they are painfully aware this is not the right solution.

I strongly urge you to consider a shorter tunnel option, that does not require the cost of mechanical ventilation. as you have looked at before on the previous longer tunnel plan.

Thank you

Margaret Reynolds
Annandale
