WestConnex M4-M5 Link – Modification 2 The Crescent overpass

**Brian Davie
Annandale**

Regarding this overpass at North Annandale . A tunnel is your best option . I have spoken to many people on this matter and a tunnel is more suitable for the area . Your modification would spoil the environment . We need to maintain the area as a tree lined suburb .The park next to the Tram Station at Rozelle Bay provides a tranquil setting.

In addition when are going to acquire a ferry service to Rozelle Bay .
