WestConnex M4-M5 Link – Modification 2 The Crescent overpass

Tom Fielding

Lilyfield

Dear department of planning,

I am outraged of a plan to build car overpass at the Roseville interchange. This is a public area being so close to the water and the bay.

We live in Lilyfield and access the green spaces of Jubilee Park that way.

I am incensed of a plan to build a car overpass -when it could be put under ground.

Why destroy the village atmosphere?

Why destroy the city?

Why make it uglier? Why put cars above people?

We want a living city one that is loved and used- not a Bangkok.
