WestConnex M4-M5 Link – Modification 2 The Crescent overpass

Sandra McEwen

I strongly oppose the building of an overpass at the intersection of the M4 and the Crescent. So many trees have recently been ripped out in that area that we, as a community, cannot afford to lose any more. For everybody's sake, please build the road underground as was originally planned. Fewer than 50% of the population drives. It is simply not fair to dominate everyone's lives with a massive concrete overpass that makes pedestrian and cycling access incredibly difficult between Lilyfield, Rozelle, Glebe and Annandale.

We LIVE here. Please don't tell us that passing motorists or the developer's budget is more important.
