

Application Number SSI 7485**WestConnex M4-M5 Link – Modification 2 The Crescent overpass****Michael Stevenson**

I am writing to strenuously object to the horrible Rozelle interchange modification. This plan completely ignores the conditions of consent given for this project and threatens to impose even more on the landscape and liveability of our local area.

I'm concerned that this Los Angeles style overpass will:

- Have an unacceptable and unnecessary visual impact, and obstruct a significant local mural;
- Make it more difficult for pedestrians to access Jubilee Park from Johnston St Annandale and the Rozelle Goods Yards in Lilyfield;
- Destroy over 70 trees including the large, mature fig trees at Buruwan Park; and
- Fail to solve Sydney's traffic congestion problem.

We deserve better than this.
