Subject: Victoria sty Berry

Dear sir,

As a resident of Gwenda ave Berry and one who uses the streets of Berry at many different times of the day I wish to voice my concerns regarding the proposed closure of the Victoria st on to the highway, I use this exit each day as I travel around Berry and the district and would find the closure of this st most in convince. The traffic would be diverted to streets that are not built to carry the general flow of traffic that this street takes at this present time. As one who goes into Nowra most days this is the most direct route for the traffic to take and I believe this closure will be a retrograde step for the department to take.

Thank you for your time in reading this email

Yours Sincerely Trish Nicholson 17 Gwenda ave Berry 2535

Trish Nicholson
