To: The Director

Infrastructure Projects.

Dept. of Planning and Infrastructure,

Dear Sir,

in regards to the Foxground
and Berry Bypass options, I strongly
support Option No.3 keeping Victoria
Street open etc., and hope this option
will be taken up by the R.M.S.

I add that in my opinion option 3
is the only one to be beneficial to
both townspeople and visitors.

Thank You.

Yours faithfully

Jennifer Archer.

- Andrew.
