Subject: Foxground and Berry Bypass - Issues raised by the Community

Foxground and Berry Bypass - Issues raised by the Community. Section 6.4

Berry Public School Parents and Citizens Association.

Traffic and Transport. Cul-de-sac the end of Victoria St. near The Arbour.

This was initiated by the presentation of 105 form letters, signed by school parents, to the RMS. These letters were not prepared or issued on a majority decision of the P&C Committee and, at their meeting in May, 2012, the P&C passed a motion that they hold no position on any Bypass issues. The RMS were advised of this motion but continue to adhere to the views which were misrepresented to be those of the P&C and the broader community.

In April 2012, a Petition of 210 signatures, opposing the closure of Victoria Street, was collected from a percentage of Berry residents and presented to the RMS. The views of these 210 persons have **not been included as issues raised by the community in this Environmental Assessment.**
