Hello,

My main concern is with the closure of Victoria Street and the extra impost upon the local north-south streets, that will be already receiving a significant increase in traffic (George, Edward, Albany, Alexandra Streets).

Victoria Street should be kept open and two way traffic maintained around Mark Radium Park to keep traffic in the local streets to its minimum impact. This would also allow best traveller access to the park.

Sincerely

[REDACTED]

[REDACTED] Berry

I would like my name with-held from the website, please.
