Dear Ms McNicol

Exhibition of Modified Request for Chester Hill Materials Recycling Facility (MP 06_0052 MOD 3)

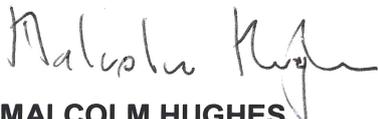

Thank you for your letter dated 19 November 2018 inviting WaterNSW to comment on the above Modification proposal.

The site is not located near any WaterNSW owned and managed land, assets or infrastructure. The potential for the proposed Modification to impact the water supply infrastructure is very low and therefore WaterNSW has no specific comment or requirements.

WaterNSW requests the Department continue to refer proposals to us for comment that have the potential to impact on WaterNSW land, assets and infrastructure, using the email address Environmental.Assessments@watnsw.com.au.

If you have any questions regarding this letter, please contact Alison Kniha at alison.kniha@watnsw.com.au.

Yours sincerely

MALCOLM HUGHES
Manager Catchment Protection
