Dear Sir/Madam,

Re: Sunnyside Coal Project – 5 Year Extension to Mining Operations
App. No. MP 06_0308 MOD1

I refer to the abovementioned.

Council has no objection to the proposed Modification of Consent to extend the mining operations.

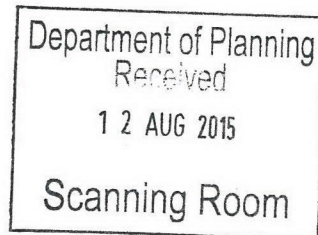

However, Council would like to highlight that the existing haulage road is not located within a dedicated public reserve. In the establishment of the mine, Council agreed to the relocation of part of the haulage road, on the condition that, at the conclusion of mining operations, the public road was re-constructed as a 'T-intersection' on the correct alignment (in the public road reserve) and the temporary haulage road be re-instated to its former character.

If you have any questions regarding this matter, please contact Council's Manager Development & Planning, Carolyn Hunt on 6740 2122.

Yours faithfully

Carolyn Hunt
