Ref. Southern Highlands Regional Shooting
Club proposed extension at Hill Top.

Dear m/s. Crampsie

July 14th 2011.

Wison's Dr. That leads off the
Hume Hwy. and goes through Hill Top to
Pilton is a dangerous road, narrow, and
has rock-faces down to the edge of the
road in places. Any increase in traffic
on this road spells trouble for residents
at Hill Top in less widened. and the
necessary signage put in place.
I dived come before the shooting com-

plex is up-and-running.
I would be grateful if you could
look into this matter very closely. Heavy
vehicles are also known to use this road.

With regards,

Yours Sincerely,
Roger Cuthell (CUTH).
