Dear Ms Lamsie

I am an aged Hill Top resident & have seen many Good changes to this district since I arrived here in Australia in 1939.

Now I feel that this planning to remove the restrictions on gun noise from the shooting complex is going to effect us all, if the proposed application is successful, now this is NOT Good for all of our district.

If you have a physical or mental disability a child, an elderly person (like me) or just a resident of Hill Top this noise is going to effect our health, & our way of life & the peace of our village.

Do you really think this is a good thing for future generation? Do they have to grow up with gun noise & pollution brought on by crowds & traffic coming into our town to participate in the shooting complex?

Michelle can you help us? can you stop this proposed planning please?

Thank you
