Hill Top 2575
6-7-11

Dear Sir, I am a resident of Wattle Ridge Road at Hill Top. An access road is on the direct route to the rifle range. My family and I moved to this location for the peace and quiet for ourselves and our animals. We were then informed that there would be an increase in traffic due to the expanded rifle range, now we are told there are plans to remove the restriction on the amount of noise. I am extremely opposed to such a move, my husband and I already hear a great deal of noise from this shooting complex. My husband works varied hours and as a result is often trying to sleep during the day, I also am a foster carer and and increase in noise will seriously affect the children as many have difficulty to help the children in my care, an increase in gun fire will also impact on them. I believe a decision to increase the noise is very unwise to those around the area.
