12 Dalgryn St

Hill Top NSW 2575

To Whom It May Concern,

I have received a letter concerning the gun noise within Hill Top NSW, I am a safe ranger & I live here. It has been brought to my attention by radio as well as by letter that the firing range will be increasing it's details & increasing 7 firing positions to 200 - This is madness as there are people living in the vicinity of this range. I live on Dalgryn St & I've heard the gun shots are the loudest on both days. I suffer terribly I have a mental illness of anxiety & stress for much I have been on medication for 3 years, I don't want higher anxiety levels why I live in the country for peace & quiet.

Yours Sincerely

Tina McCraith
