Ms Sommer,

Proposed Lindt Facility SSD 14_6620

The NSW Food Authority (the Authority) has assessed the submission for the manufacturing facility at Marsden Park and has determined that this business will be required to receive inspections from the Authority to ensure that all food is produced in a manner that complies with the legislative requirements outlined in the Food Act 2003.

The Authority will complete inspections of this business once they commence operations. Information concerning the regulatory standards processing establishments are required to meet is available on the NSW Food Authority website at:

<http://www.foodauthority.nsw.gov.au/industry/industry-sector-requirements/manufacturer-wholesaler>

The Authority does not require any conditions of consent for this proposed business as we will liaise directly with this company when they complete a food business notification.

Should you have any further inquiries regarding this matter, please contact me directly on (02) 9741 4710.

Regards,

Mark Mackie
Manager Audit Systems & Verification
