Dear Sir/Madam

**Submission in Support of Development Application for the Rye Park Wind Farm,
15-40 km north of Yass, approx. 3-4 west of Ryde Park, 250 km south west of Sydney**

We are writing in support of the Rye Park Wind Farm (Development Application SSD 6693).

While we are not particularly impassioned either way about this proposal. We do feel that it would have benefits for our region through the money and jobs it will create.

We think that some of the objections to the proposal are political or egocentric and dismissive of the greater benefit.

From what we can see, the developer has genuine regard for the community and the environment and wishes to undertake the development in a responsible manner. This region is extremely windy so we think the project just makes sense.

Sincerely

BRAD SCOWCROFT
