

The EPA recommends that DoP&I condition the modification approval to require an erosion and sediment control plan to be prepared and implemented for the construction of the proposed alternative transmission line route.

Should you have any questions with respect to the attached notice, please do not hesitate to contact Mr Lindsay Fulloon in the EPA's Armidale office on (02) 6773 7000 or via e-mail at armidale@epa.nsw.gov.au.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Michael Lewis', written in a cursive style.
