

5/7/13.

Dear Sir/Madam,

MP10_0213 MOD1

I wish to object to the above proposal on the following grounds:

- * the amount of traffic movements generated by the proposed car park will create unsafe conditions. It will also create a lot of noise and fumes from the cars. It will be like living on Parramatta Road.

- * The value of my property will be decreased. I have talked to a real estate agent who estimates that the value will be decreased by \$40,000 - \$50,000 and it will make my property harder to sell.
