Dear Sir,

Re: FLYERS CREEK WIND FARM MP08_0252

I, Dan McElish, am aware of the proposal to construct up to 44 wind turbines in the Flyers Creek area, approximately 20 kilometres from Orange, NSW.

I give/do not give permission for my personal details to be released to the proponent, the public or any other government department.

I wish to lodge my objection to this wind turbine proposal because of the following:

- ☐ Health Impacts
- ☒ Noise pollution both audible and infrasound
- ☒ Visual Pollution and increasing turbine size
- ☒ Lack of community consultation and transparency
- ☒ Contractual secrecy containing gag clauses
- ☒ Destruction of flora and fauna
- ☐ Devaluation of affected land and surrounding land
- ☒ Safety issues relating to blade throw and fire dangers, and the inability to fight fires near turbines
- ☒ Danger to low flying agricultural air craft
- ☒ Shadow Flicker
- ☒ Further damage to already dangerous country roads
- ☐ Destruction of historic, heritage and cultural areas
- ☒ Reduced agricultural productivity
- ☒ Division of rural communities and alienation within families
- ☒ Destruction of rural social infrastructure
- ☒ Enforced tax payer subsidies to the wind turbine industry
- ☒ Inefficient and intermittent electricity production
- ☒ Inability to produce base load power
- ☐ Inadequate or non-existent provision for decommissioning and removal of old turbines

I therefore petition the Department of Planning & Infrastructure to disallow this proposal and look forward to your Department's favourable consideration of this submission.

Yours faithfully,
