Dear Mr Philip

Re: Submission re. Flyers Creek Wind Farm (Application MP08-0252)

---

I understand that Flyers Creek Environment Assessment (EA) is now on public display.

I am writing to voice my support for the project. I have no objections to Flyers Creek Wind Farm project.

I am a longstanding resident of the Flyers Creek area having lived in this area all my life. Since leaving school I have worked the family farm and have expanded that holding by purchasing further parcels of land in this area.

In my opinion the Flyers Creek Wind Farm will have positive environmental and financial benefits for this area.

The Blayney Wind Farm is visible from my residence. At no time have I thought it unsightly and detrimental to the landscape, nor has it impacted my health.

I am very happy to discuss this matter further. I can be contacted on 02 63665035 or 0419623677.

Yours faithfully
