Ref: Submission with regards to the Flyers Creek Wind Farm (Application MPO8-0252).

Dear Mr Philip,

We Jason and Leanne Harris are writing to you in **support** of the Flyers Creek Wind Farm. We live at Branxton in the Hunter Valley NSW and are in close proximity of the coal mines, and live with mining pollution, therefore we would like to see more healthy green energy in our state, such as the above wind farm to go ahead, this will help to ensure a healthier state and country for all. We also feel that wind farms have a peaceful and tranquil appeal to our country side.

Sincerely,

Jason and Leanne Harris

Branxton NSW 2335
