McPhillamys Gold Project
Application number SSD-9505

Support/~~object~~: (please provide your statement below)

Since our local Abattoir closed there
is not much employment here so this
will be great. Nestle Puma does not
support our community or sporting groups.

Reason:

Brings new families to our community
& will be great for our schools & sporting
Groups.

I have/have not made any political donations in the last two years. (If yes please disclose)
