I am in support of the mine going ahead. I am in support of the mine bringing more employment opportunities to the next generation of youth. My son is currently in his 3rd Year of a Fitter/Machinist Apprenticeship with an engineering firm in Orange. A lot of their work is predominantly mining contracts. If this mine goes ahead it can only
Reason: have a positive flow-on effect to companies that support the mining industry.

My family also has a business in Blayney, the extra people & infrastructure this mine will bring will potentially benefit our business.

My husband & I also own an investment rental in Blayney. The increase of numbers to the town will
