McPhillamys Gold Project
Application number SSD-9505

Support/object: (please provide your statement below)

I support this development because of the oppotunities it allows the community with both local jobs and the flow on of all buisness that

Reason: link to mining.

Having further local miners keeps people in our communities and opens up new jobs and prospects for all.

I have/have not made any political donations in the last two years. (if yes please disclose)
