Dear Sir or Madam.

I would like to see the McPhillamys Gold Project go ahead as soon as possible, as the village of Blayney needs it.

I say this because Blayney has lost the old abattoir some years ago, we have lost the container terminal and we miss out on the Goat abattoir, we need this Mine to give the people that run all the small shops some hope of staying in business, and the project, will give people jobs, even school leavers, it will bring in more business, which will also provide more jobs.

The people that go no about the river have not done any thing to help the river in the last 50 years, like clean out all the dead trees and rubbish that is in the water way, only now are they thing about the river, I don't think the mine will affect the water in any way.

Thanking you Stephen Fields.
